Preface.

THE Village of Pilling is situate on the shores of Morecambe Bay, a few miles due East of Fleetwood. Its Chapel, dedicated to St. John the Baptist, was doubtless founded by the Canons of Cockersand early in the thirteenth century. In 1493 Agnes Shepherd had licence from the Bishop to live a solitary in a cell at Pilling Chapel [“Cockersand Rental,” Chetham Society].

1356311

The Register here printed is the earliest the Parish possesses; it consists of 30 leaves of parchment, $11\frac{3}{4}$ inches by $7\frac{1}{2}$ inches; and was without binding until our Society had it bound in good vellum cover. It will be noticed that there are great gaps in the Register, and the only Bishop's Transcripts which can be found at Lancaster, for the period included in the Register, have been incorporated in the printed volume.

The thanks of the Society are due to Mr. W. H. SATTERTHWAITE, of Lancaster, and to the Vicar of Pilling (Rev. THOMAS PEARSON), whose courtesy to our Society is only surpassed by his enthusiasm in the cause of rose-growing.

Indexes.

I.

Of Christian Names and Surnames.

C...1-33. B...34-38. M...39-49.

Where a name has variants the Head-name has been selected which now exists or which most closely resembles the modern equivalent. All variants are separately Indexed with cross references to the Head-name.

Where a Surname has an *alias* each form of the Surname is Indexed under its initial letter.

The Christian names are, with some few exceptions, Indexed under their modern form the first spelling of the name having generally been continued in connection with the same Surname.

Illegitimate Children are Indexed under the Surnames of both Mother and putative Father.

“N.X.N.” signifies “No Christian Name.”

An asterisk following a page number signifies that that combination of Christian and Surname occurs more than once on the page number Asterisked.
